"1. During the War no probate of a will or letters of administration of the estate of any German, Austro-Hungarian, Turkish, or Bulgarian subject, wherever resident, shall be granted in respect of any assets in this country without the

express licence of the Crown acting through the Minister of Finance.

"2. In all cases where probate or letters of administration are granted during the War to any person entitled thereto, the grant shall be made upon the condition that no portion of the assets shall be distributed or paid during the War to any beneficiary or creditor who is a German, Austro-Hungarian, Turkish, or Bulgarian subject, wherever resident, or to any one on his behalf, or to or on behalf of any person resident in Germany, Austro-Hungary, Turkey, or Bulgaria, of whatever nationality, without the express licence of the Crown acting through the Minister of Finance; and if any distribution or payment is made contrary to this condition the grant of probate or letters of administration will be forthwith revoked."

15. As soon as the moneys borrowed by the improvement district from the Conservation Fund created under Division (5) of Part VII. of the "Water Act, 1914," have been repaid in full by the improvement district, the Trustees shall in each year thereafter raise by means of a tax levy a sum sufficiently large to provide a depreciation fund of \$6,500 by December 31st, 1936, and they shall set the said sums aside for the said purpose and shall not use the same for any other purpose whatsoever. The moneys to the credit of the said depreciation fund may, however, be used, if necessary, in the replacement of the works of the improvement district as the same may require to be replaced.

16. Sections 204A to 220A, inclusive, and Schedule B of the "Water Act, 1914," as amended shall not apply to this improvement district, and the following provisions shall apply:—
